

Challenging Grammar – AN21003BA

offered for 2nd-year students in the English Studies BA program
3-credit seminar
Spring 2026

Course Description

In this course we will discuss papers on verb meanings, event lexicalization and culmination phenomena across languages. Our main goal will be to learn about how languages are similar and different when it comes to the expression of events while focusing on facts of English and Hungarian.

Grading

The final grade will be based on a midterm test and an endterm test.

Attendance

No more than three absences are allowed, illness included.
